

LIVE – SHOP – PLAY

We don't live in an economy, we live in a community. Successful businesses mean a successful community.

We need to provide people not only with the opportunity to sustain their business, but to succeed and thrive.

That's why a successful chamber of commerce is so important to a small community, because we're not just a business in a small place like Junee, we're parents and friends and volunteers and leaders.

That's why we established Junee Business and Trades and that's why we need YOU to be a part of JBT.

As a collective we have a much greater chance of being heard and effecting positive outcomes for our businesses and community.

We don't have thousands of businesses like the larger centres such as Wagga, but we're not alone either. We have everything Wagga has, just on a much smaller scale, but most importantly we have a sense of community that you don't experience in larger cities.

As an active Chamber of Commerce we are aligned with the NSW Business Chamber which brings many benefits and access to the same programs and events as any business in a large centre.

We are here to promote business and tourism growth in Junee and surrounding smaller towns through leadership, advocacy and networking opportunities.

JBT is a not-for-profit incorporation run by local business operators. We are always looking to improve by including new people with new ideas and maintain a positive vibe.

We work collaboratively with local business to improve and grow the Junee business community by offering a range of industry specific professional development and events and local promotions.

JBT support and facilitates connection, communication and collaboration between Junee shire-based businesses as well as representation and advocacy on behalf of the business community to Junee Shire Council and other Government bodies.

We are passionate about promoting local business, agriculture and trades within the local community and beyond, working to maximise growth opportunities through partnerships, communication and marketing opportunities.

Our community involvement includes the hugely successful Christmas On Broadway, Junee Fishing Classic, Meet and Greet, Rhythm n Rail Festival and many other events and workshops.
